PRESS RELEASE

January 18, 2010

=====

INVESTIGATION INITIATED FOR ANTI-DUMPING DUTY AGAINST

IMPORT OF SEAMLESS PIPES & TUBES FROM CHINA.

=====

Aggrieved from rising import of Seamless Pipes and Tubes from China an application for Anti-dumping was moved by the domestic manufacturers to the Govt. of India (GOI) which was also supported by Maharashtra Seamless Limited(MSL). GOI has initiated the probe against dumping of Seamless Pipes in the domestic markets from China by a recent notification.

Several other countries in the world including USA, Europe, Canada and Argentina have already initiated the similar kind of investigation. This clearly demonstrate that Chinese produces are resorting to dumping of Seamless Pipes in all major Global markets

The investigating authorities would assess the degree and effect of dumping and recommend anti-dumping duty to GOI on such imports to remove the injury caused to domestic manufacturers including MSL
